

ARCHITECT

Dayton, Ohio

Since 1927, LWC has provided clients with responsive customer service and architectural, interior design and planning services of the highest quality.

Come be a part of a winning team! LWC is seeking an Architect for our Dayton, Ohio location.

Position requirements include a creative and talented individual who is interested in challenging and diverse projects with 5+ years' experience. A professional degree in architecture (B. Arch or M. Arch) is required; current pursuit of architectural registration is highly preferred.

Will be responsible for performing a variety of tasks including working jointly with Principals; assisting with all phases of a project through construction, providing concepts, plans, specifications, contract documents, and detailed drawings. Extensive client-facing required; discussing designs, costs estimates; including space programming, developing, coordinating and directing. Must be experienced in code research and application. Will observe, inspect, and monitor building work to ensure project is progressing in accordance to contract and specifications and conduct post-occupancy evaluation of projects.

Ideal candidates will have excellent communication skills and be confident both in the office and on project sites, organized and multi-faceted. LWC's primary drawing production platform requires proficiency in REVIT.

LWC offers exciting work, competitive compensation, and an attractive benefits and incentives package.

Package Includes:

- Medical, dental, vision, life, and disability insurance
- Paid time off, bereavement and holiday pay
- 401(k) plan
- Various other recognition programs throughout the year

LWC Incorporated is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation, national origin, age, disability or veteran status. We maintain a drug-free workplace.
